EDUCATION

Concordia University, B.Comp.Sc.

Sep. 2020 to May 2023

Bachelor of Computer Science; Computer Science General Program

McGill University, M.Sc. Thesis

Sep. 2016 to May 2019

Master of Science; Experimental Medicine, Inflammation and Cystic Fibrosis
Research Institute of the McGill University Health Centre

Supervisor: Dr. Simon Rousseau, PhD

My thesis is on Interleukin-6 (IL-6) signalling in Pulmonary Exacerbations (PE) in Cystic Fibrosis (CF). In CF patients who have had PE, IL-6 levels are elevated, which correlate with elevated inflammation. I sought to understand the downstream effects of IL-6 on the CF bronchial epithelium at the cellular level, to elucidate the mechanisms of inflammation caused by IL-6.

- McGill University, Faculty of Medicine, Department of Experimental Medicine Entrance Scholarship
- McGill University, Faculty of Medicine, Department of Experimental Medicine Tuition Supplement
- McGill University, Graduate Excellence Award
- McGill Cystic Fibrosis Research Day (May 2017, Montreal) – Poster
- 2018 Annual McGill Biomedical Graduates Conference (April 2018, Montreal) – Poster
- 2018 Cystic Fibrosis Research Day (May 2018, Quebec City) – Poster
- 29th Annual Respiratory Research Day (May 2018, Montreal) – Oral Presentation

McGill University, B.Sc.

Sep. 2012 to Jun. 2016

Bachelor of Science; Biological, Biomedical and Life Sciences, Physiology

Malvern Collegiate Institute

Sep. 2008 to Jun. 2012

Extended French with Honours

- 2012 – Donald D. Summerville Memorial Scholarship, given to the male student with the highest GPA in the graduating class
- 2012 – Governor General's Academic Medal, Bronze
- 2012 – Ontario Scholar
- 2012 – Advanced Functions Award
- 2012 – Analyzing Current Economic Issues Award
- 2012 – Calculus and Vectors Award
- 2012 – Chemistry Award
- 2012 – Honours Certificate of Bilingual Studies in Extended French
- 2012 – Physics Award
- 2012 – University of Toronto National Book Award

EXPERIENCE

lifes.ai

Apr. 2022 to present

Founder, Software Engineer

- Developing a no-code automated statistical analysis and machine learning tool to streamline data analysis for the life sciences.

SSENSE

May 2022 to Jan. 2023

Software Developer Intern

- Worked on the shared-services team, and helped develop internal tools used within the company to streamline the transfer of data between different microservices

Research Institute of the McGill University Health Centre**Jan. 2019 to Nov. 2021**

Lab Technician, Chronic Viral Illness Service and Infectious Diseases and Immunity in Global Health

Supervisor: Dr. Jean-Pierre Routy, MD, FRCPC

- People living with HIV (PLWH) have other comorbidities such as impaired gastrointestinal immunity. I work on elucidating the mechanisms of this dysfunctional gastrointestinal immunity in an effort to alleviate the increased inflammation seen in PLWH.

McGill Athletics and Recreation**Jun. 2016 to Apr. 2018**

Lifeguard, Swim Instructor

- As a swim instructor, I helped teach children ages 5-15 swimming skills, ranging from novice to advanced, for McGill Sports Camp. As a lifeguard, I ensure the safety of patrons to the McGill Memorial Pool.

McGill Science Undergraduate Society (SUS)

Vice President of Academic Affairs

May 2015 to May 2016

- I worked with departmental student councils to organize technical workshops and career events, sat in on departmental meetings with the Dean and Associate Dean of Science, and planned the faculty-wide Graduate and Professional Schools Fair and the research-oriented Academia Week.

Academia Week Coordinator

Sep. 2014 to Feb. 2015

- Helped prepare and run Academia Week, a week-long event running from January 26 – 30, 2015, in which guest researchers from a wide range of specialties are invited to McGill to speak to undergraduate students about their work to help expand horizons for career opportunities for science students.

Finance Committee

Sep. 2014 to Apr. 2015

- As a member of the SUS Finance Portfolio, I helped to audit undergraduate student councils such as the McGill Anatomy and Cell Biology Student Society (MACSS), McGill Students' Physics Society (MSPS), Microbiology and Immunology Students' Association (MISA) and Medicine-Dentistry Students' Association (MDSA).

Inviva – McKesson Canada**Jun. to Aug. 2015**

Summer Student

- Some of my responsibilities were to consolidate patient files, quality check infusion documentation and data entry at Inviva, which specializes in symptomatic treatment of chronic inflammatory diseases such as inflammatory bowel disease, rheumatoid arthritis and psoriasis.

Toronto Parks and Recreation**Mar. 2012 to Jun. 2015**

Lifeguard, Swim and Lifesaving Instructor, and Wading Pool Attendant

- Along with ensuring the safety and well-being of patrons using our swimming facilities, I taught learners of all ages, from beginner to advanced swimmers, proper stroke techniques and lifesaving skills.

McGill University Health Centre (MUHC)**Sep. 2014 to Apr. 2015**

Volunteer – Montreal General Hospital – Patient Welcome

- Provided a welcoming experience to patients at Montreal General Hospital through social interaction, and fostered continued intellectual stimulation through activities such as crafts, games, etc.

University Health Network**May to Aug. 2014**

Summer Student, Diabetes Research

Supervisor: Dr. Tony Lam, PhD

- Helped prepare materials for experiments and performed triglyceride and protein assays in an effort to provide the research team with quantifiable data

Toronto East General Hospital**Feb. to Jun. 2012**

Patient Welcome and Disease Prevention

- Volunteered to greet new patients
- Emphasized the importance of hand-washing to maintain personal hygiene

Malvern Collegiate Institute Swim Team**Dec. 2011 to Jan. 2012**

Lifeguard

- Enforced the safety of competitive swimmers during practices and meets

Toronto Public Library

Apr. 2010 to May 2011

Volunteer, St. James Town Branch, Leading to Reading Program

- Improved the reading skills of school-age children from at-risk neighbourhoods

Alzheimer Society of Toronto

Nov. 2008 to Jan. 2011

Volunteer, Manulife Walk for Memories

- Phoned potential supporters of the event to maintain their interest in participation
- Prepared giveaways for the day of the event

Neighbourhood Link Support Services

Mar. 2009 to Dec. 2010

- Volunteered over 300 hours for the Friday Mandarin Seniors program
- Volunteer Service Award (June 2012)

Toronto Chinese Alliance Church

Summer 2009, 2010

- Over 80 hours as a volunteer for Vacation Bible School

EXTRACURRICULARS

Montreal Chinese Baptist Church

Worship Team – Pianist

Jan. 2015 to present

- I am passionate about serving in the church music ministry, and this provides me with the opportunity to serve and see the immediate impact I have on the congregation.

English Ministry Committee – Secretary, Worship Portfolio

Jan. 2018 to Dec. 2019

- I am challenging myself in undertaking this leadership role in the church, by working directly with church deacons and other church leaders in organizing events, and overseeing various ministries serving the English congregation.

Short Term Missionary – Chilibre, Panama

Jan. to Jun. 2017

- I, along with a team of three others, went to Panama to teach English to pre-teens, teens and young adults of the minority Chinese in a week-long overnight-stay camp. I learned how to communicate cross-culturally over a language barrier, prepare lesson plans, and made lasting overseas connections.

McGill MedGames 2015

Jan. 2015
